Rich Webb German tour - April to June

It's with great pleasure that we announce that Rich Webb will be touring Germany in April to June this year in support of new single 'Light'. This follows on from the success of Rich's nine-date German tour last September.

Rich will be playing most shows with the same cracking band of Phil Wakeman on lead guitar/bvs, George Savva-Georgiou on bass/bvs, Chris Letcher on keyboards and Dave Eugene Webb on drums and accordion.

At some of the more intimate cafe venues, it will be Rich, Phil and George as they take it back to the lounge.

Here's where to catch them:

24 April - Gießen, Ullenspiegel
25 April - Frankenberg, Barrock
26 April - Schrecksbach, Mylord
30 April - Leunen, Zum Grief
23 May - Munchen, Piazza Linda
24 May - Fritzlar, Turmschaenke
29 May - Munchen, Cafe Und So Weiter
31 May - Karben/Selzerbrunnen, Chillys Karben
1 June - Saarbruecken Castle, Saarbruecken
